1. By signing this form, **you (the author(s) or other copyright owner) agree** to grant to IM Publications Open LLP (the publisher) the non-exclusive right both to reproduce and/or distribute your article (including the abstract) ourselves throughout the world in printed, electronic or any other medium, and in turn to authorise others (including Reproduction Rights Organisations such as the Copyright Licensing Agency and the Copyright Clearance Center) to do the same. You agree that we may publish your article in the publications named above, and that we may sell or distribute it within the publication, on its own or with other related material. This is in addition to any general rights within the licence chosen in section 4.
2. **You warrant (i.e. promise)** that the article is your original work, has not previously been published and is not currently under consideration by another publication. If it contains material which is someone else's copyright, you promise that you have obtained the unrestricted permission of the copyright owner (please attach evidence of this), and that the material is clearly identified and acknowledged within the text. You also promise that the article does not, to the best of your knowledge, contain anything which is libellous, illegal or infringes anyone's copyright or other rights.
3. **We promise** that we will respect your rights as the author(s). That is, we will make sure that your name(s) is/are always clearly associated with the article and, while you do allow us to make necessary editorial changes, we will not make any substantial alteration to your article without consulting you. When the article is accepted, we undertake to publish it as soon as we reasonably can. If it is rejected, this agreement is automatically cancelled and all the rights come back to you. We will do everything we reasonably can to maximise the visibility of the publication, and of your article within it.
